On May 15<sup>th</sup> 2021 Conner McGrevey lost his life in a tragic accident. In Conner's short 17 years he had already left his mark on this world. Conner was in his junior year at First Colonial High School and aspired to join the Air Force and become a C-130 pilot. He was working part time at Contes bike shop and had a passion for Crossfit, Kickboxing, Boy Scouts and even built a jeep from the ground up. Conner always went above and beyond to help others in need, so to continue in Conner's footsteps of helping others, his family created the Conner McGrevey Memorial Scholarship Fund (159).

**Stability CrossFit located at 1944 Laskin Rd #402 Virginia Beach VA, 23454, will be holding the 5<sup>th</sup> annual fundraiser for Conner's Scholarship on April 18th, 2026 from 8am-12pm. This Scholarship will give a FCHS graduating senior an opportunity to attend College. We are asking for donations such as Items, services or gift cards for a silent auction/raffle during the event.**

Another way to help is to become a sponsor of the event and donate money directly to the Scholarship managed by SEVACF <https://sevacf.org/give/donate/> click on "A Specific Fund" and then scroll down to the "Conner McGrevey Memorial Scholarship Fund(159)" and make your donation online. Or by mailing a check to the SEVAC address above or bring a check to the event. Cash donations over \$250 will have the opportunity to have your workplace name/ logo on the back of the event T-shirt (Please email company logos to Michael Uncapher at the email below).

We greatly appreciate your kind donations in helping us memorialize the life of an outstanding young man and to continue helping others in Conner's name.

Thank you,

**Michelle & Shannon McGrevey**
